Turn some heads

Sophistication and femininity shine through in this season's autumn/winter partywear collections, so there's no reason why you can't make an impression at your office party or family gathering this Christmas

The three different party-style ideas on this page are all available at Naissance Maternity, 16 Lr George's Street, Wexford, t: 053 9140388. Former Spice Girl Mel C was spotted wearing the dress on the bottom left recently!
